The Foundation was formed in 1991 as a local senior-age volunteer group under the guidance of Allen R. Baca with the primary objective to assist funding the Senior Center and other programs for seniors in the Round Rock area. Our secondary objective is to promote civic pride, tourism, and beautification of our city by encouraging businesses, government and neighbors to plant daffodils all around the area. By the efforts of Foundation members, the 78th Legislature of the State of Texas recognized the City of Round Rock as "The Daffodil Capital of Texas" in May 2003.

Many thanks to our supporters for the past 12 years, and welcome to all new supporters of this noble effort to support the activities of this special generation of citizens of Round Rock and it's surrounding areas.
